Re: NCRA/Willits Redwood Company Lease  
APN 005-040-04  
336 North Lenore Street, Willits, CA

Willits Redwood Company proposed amendments to the above referenced lease of NCRA property.

The existing lease defines an area 200' x 600' = 120,000 square feet or 2.75 acres.

WRC wishes to adjust the area to 150' x 1200' = 180,000 square feet or 4.13 acres.

The area will be defined by the property line at the north end, being 150 feet in width, and extending south in a straight line for 1200 feet with the existing fence being the west boundary. This area is depicted in Exhibit "A".

Willits Redwood Company has maintained possession of the existing lease since its inception on February 1, 2010, and has made timely payments to secure the lease. In consideration of timely payments and the simplicity of adjusting the lease area, WRC requests a waiver of any application or processing fees.

Upon NCRA Board approval of this proposal, WRC stands ready to fully execute a modified lease and increase in payment as required by the current fee schedule.
