Subject: **NCRA Board of Directors' Meetings**

Upon the recommendation of the California State Transportation Agency (CalSTA), on March 9, 2020 at its meeting in Ukiah, the NCRA Board of Directors directed its staff to schedule all Regular Meetings of the NCRA Board of Directors quarterly, rather than monthly. It was also decided that all Regular Board Meetings would be held at the Mendocino County Board of Supervisors chambers in Ukiah. Accordingly, the next Regular Meeting of the NCRA Board of Directors will be held on June 8, 2020 in Ukiah at the Mendocino County Board of Supervisors chambers beginning at 10:30am. Thank you for your attention to this recent schedule change.
